

Wallace/Burson Association

This year, as America celebrates **250 years of independence**, please take this special opportunity to thank those who help make our country a shining light of freedom! Support and sponsor the spectacular Field of Flags near the Calaveras County line along Highway 12 in Wallace.

West Calaveras County Field of Flags **For Love And Gratitude** July 2026

Beginning **Friday, June 26th**, more than **200 American flags** will rise across from the Wallace Post Office, presenting the **Field of Flags "For Love and Gratitude."** Each flag represents a story. A sacrifice. A life dedicated to helping others. Whether you honor an active-duty service member, a veteran, a police officer, a firefighter, a first responder, or someone whose quiet bravery deserves recognition, your tribute will fly proudly through **Saturday, July 11th**.

Your honoree's name — and the reason you chose to honor them — will be displayed on a personalized tag that flies with the flag. After the event, this tag will be mailed to you as a keepsake, a reminder that you helped ensure their service is seen and remembered.

We invite you to sponsor a flag(s) and offer the following options (check one or more):

- One individual honoree per flag, with a donation of \$20;
- Up to three honorees, individual labels, on one flag with a donation of \$40;
- Three individual honorees, each on a flag, with a donation of \$50; and,
- Same as Last Year, 1 at \$20, 3 on 1 Flag at \$40, or 3 Flags at \$50.

To sponsor a flag, please return the form with your donation or visit our website to complete your sponsorship online by **Wednesday, June 24th**. For further information, contact:

USPS: Wallace/Burson Association
PO Box 103
